

District 8 Junior Shooting Club

About the program

The American Legion Junior Shooting Sports Program teaches youth rifle safety and procedure and lets children participate in an Olympic skill sport while fostering healthy competition. All interested youths from 10 to 18 years old are welcome, regardless of gender or physical ability. Shooters are trained to use a .177 air rifle, and levels vary from beginners learning safety basics to winners of the Legion-affiliated National Championship, which consists of regional champs competing in a shoulder-to-shoulder match. If you know an interested youth or would like to get involved yourself.
